Dear Sir/Madam

I am writing to express my interest to join your consultancy projects. I am excited about the prospect of utilizing my qualifications, experiences, and practical career in a role that aligns with my passion for Improving the provision of humanitarian services.

With a Master's degree in International Development and Gender from GDRS, Sana'a University, and a Bachelor's degree in Social Work from the Faculty of Arts, Sana'a University, I have a strong foundation in the Fundamentals of humanitarian action. My education has given me the theoretical and practical knowledge necessary to understand and address marginalized communities' challenges.

In my previous role as a Programs Officer at LEAD Yemen, I had the opportunity to work on various programs, including Enhanced Rural Resilience in Yemen Program and Enhance the Community Cohesion Program, with Partners Yemen. These experiences have given me hands-on experience in the evaluation and supervision of local partners in the target provinces, financial tasks, logistics, and other programmatic responsibilities. In addition to my role as the supervisor of the community center in the camps for the IDPs, it gave me the immediate response to ensure the most vulnerable are protected, basic needs are met and lives are saved.

Throughout my career, I have also developed strong communication, problem-solving, teamwork, and project management skills. These skills, combined with my passion and expertise in gender equality and the ability to coordinate and deal with sensitive communities, would make me an excellent candidate for the position.

As an individual who is committed to promoting gender equality and human rights, I am excited to bring my skills and experience to your team. Thank you for considering my application. I look forward to the opportunity to work together.

Sincerely,
Essam Ali Shaif
