Experience:

Teaching Experience:

Since October 2023 until now, I have been working as a part-time **lecturer** at Nottinghill College - Eton University, teaching various diploma programs, including:

- Psychological Counseling, Psychology and Mental Health (covering topics such as psychological counseling concepts, counseling processes, mental disorders, and counseling program planning).
- Diploma in Post-Traumatic Stress Disorder (diagnosis and treatment of PTSD).
- Diploma in Psychological Counseling & Behavior Modification for Children and Adolescents (including psychological counseling approaches, assessment, diagnosis, and trauma-informed counseling for children and adolescents).

Training Experience:

- In November 2024, I worked with Nottinghill College and the Caesar Families Association to deliver a Training of Trainers (TOT) program for individuals who survived detention in Syria and experienced psychological trauma. The training focused on recovery, adaptation, capacity building, and empowering participants to support others.
- In 2022 I had been worked as a trainer, I conducted 5 Training to delivered TOT programs based on various training manuals with IRC, UNFPA donor

Professional Experience:

From 2017 to 2024, I worked with an International Non-Governmental Organization, providing PSS and individual counseling for women and girls, including adolescents. My work covered psycho-social support,

life skills, and psychological counseling, alongside facilitating group sessions for women, adolescents, and children.
