

Preparing for the SAT® Graduate School Certification Exam

Preparing for the SAT Graduate School Certification Exam (GSE) is a process that requires a combination of knowledge, skills, and strategies. This guide provides a comprehensive overview of the exam, including its structure, content, and preparation resources.

Overview of the SAT Graduate School

The SAT Graduate School is a non-profit organization that administers the SAT GSE. It is designed to assess the academic readiness of graduate school applicants. The exam is a multiple-choice test that covers a range of subjects, including reading, writing, and mathematics.
