Exam Latest Version: 6.0

Question 1. (Single Select)

Which of the following describes this type of writing?

- A: Technical
- B: Narrative
- C: Persuasive
- D: Expository

Correct Answer: A

Explanation:

Technical passages focus on presenting specific information and have a tone of formality. They also usually prompt a response from their recipient. Expository passages reveal information to the reader. This passage does give information, but the information is specific, technical, and meant to prompt action from the students receiving the email. Therefore, technical (A) is the best answer. Narrative writing focuses on telling a story, and the passage offers no indication of this. Persuasive writing attempts to persuade the reader to agree with a certain position; the instructor offers the students information and advice but leaves the decision up to each student.
