Key Skills

- Leadership and Team Development
- Performance Data Analysis
- Staff Engagement and Well-being
- Collaboration:
- Risk Assessment and Compliance
- Event Management

Interests

- Completed Paris Marathon April 2024, Cote D'Azur Marathon September 2024 and Ibiza Marathon April 2025.

I am a dedicated and motivated professional with over 5 years experience in the education field. I am skilled in creating a positive learning environment, promoting a love of physical activity and wellbeing alongside creating risk assessments whilst implementing effective safeguarding strategies.

I have gained excellent experience of implementing effective strategies to drive engagement and development across a wide range of age groups. I am a recent MSc graduate with Distinction in Sport, Physical Activity, and Mental Health, eager to apply expertise in a role that values innovation, collaboration and employee wellbeing.
